

AVIDA Motorhomes
& Caravans

Production / Manufacturing Manager

Full time

Avida is a family-owned business, proudly manufacturing quality Motorhomes and Caravans in Australia since 1965. Located in Emu Plains in Western Sydney, NSW, we have a dealer sales and service network throughout Australia and New Zealand. We recently were awarded the 'RV Manufacturer of the Year' by the NSW Caravan and Camping Industry.

About the Opportunity:

Reporting to the Head of Operations you will play a pivotal role in assessing improvement opportunities and then leading and coaching multiple production units to deliver them.

The ideal candidate enjoys a dynamic hands-on role that requires some strategic nous and executional competence. Experience in developing continuous improvement initiatives, self-motivation, and a can-do attitude with excellent communication and problem-solving skills is important. You will play a vital role to ensure that a high standard of quality work delivered consistently to internal customers, is achieved on time, consistently and efficiently.

This is an exciting time in our business as we continue to accelerate our LEAN manufacturing journey, and work towards World Class Manufacturing.

Job Tasks and Responsibilities:

Your responsibilities will include, but are not limited to:

- You will be unwavering in pursuing process and efficiency improvements;
- Leading and inspiring your teams, unit leaders and employees to strive for excellence in exceeding daily and monthly targets;
- Driving improvements and implementing processes that will result in exceptional Quality standards;
- Applying Lean principles to deliver innovative and sustainable improvements;
- Problem Solving;
- Managing variable workloads in a labour-intensive process through labour balancing;
- Co-ordinating production priorities;
- Fostering a culture that is engaging and rewarding for your employees; and
- Living our Company values.

AVIDA Motorhomes & Caravans

All About You:

- Minimum of 7 + years managing a significant Manufacturing / Production portfolio;
- Trade/Engineering/ Manufacturing experience or qualification desirable;
- Previous experience in the application of Lean Manufacturing principles;
- Ability to work under pressure while motivating others and meeting deadlines;
- Positive attitude, organised and self-motivated;
- Exceptional time management skills;
- Highly competent in problem-solving;
- Strong verbal and written communication skills;
- High attention to detail;
- Disciplined with a natural drive to set best practice;
- Strong focus on internal and external customer service.

What We Offer:

- A great productive team environment;
- Earlier Friday finish;
- Reward and recognition initiatives;
- Free onsite parking; and
- Access to an Employee Assistance Program.

If you have the skills and attitude we are looking for and like a challenge then we encourage you to apply.

You must have the right to live and work in Australia to apply for this job.
