CELEBRATING 60 YEARS OF INNOVATION

Avida, the longest-serving motorhome RV manufacturer in Australia still in the hands of the original owners, has been a leader in the RV industry since 1965, known for our high-quality, **Australian-made** motorhomes, campervans, and caravans. From our humble beginnings, Avida has built a legacy of innovation, customer dedication, and family values. We manufacture our RVs entirely in Australia, employing local talent at our Emu Plains facility west of Sydney, setting a standard for durability, performance, and comfort that has inspired travellers for more than **six decades**.

OUR VISION: To create the vehicle that fulfils our customer's dream lifestyle.

AVIDA 60 Years of Australian Made Innovation

Celebrating six decades of Australian manufacturing, here's a glance at our Journey. From our humble beginnings to our most recent milestones, this timeline is a snapshot of some key events that have defined Avida's legacy.

These vehicles were not manufactured by, or by anyone having any association with Winnebago of the United States.

WHAT OUR CUSTOMERS HAVE TO SAY

'It's just beautiful, the set up inside and it's beautiful to drive!'

- Nicolette, Healesville Vic

'We are impressed, not only by the quality of finish, but also by the continuous design improvements and inclusion of the latest components. As best we can, we have tried to compare Avida with other Australian motorhome manufacturers, and found very few design changes/ improvements during the past 4 or 5 years with those others. It has been well worth the wait.'

- Stephen, North Haven SA

'So so pleased with this top class motorhome - quality workmanship at its best. Travel is like "home away from home.'

- Robyn, Tannum Sands Qld

'We love Avida, we owned a 2019 Leura for almost 3 years, that's why when we wanted to upgrade we stuck with Avida.'

- Dennis, Paradise Point Qld

'I was pleased with my experience, and found the dealership, very helpful and courteous.'

- Geoff, Coopernook NSW
