

AVIDA Motorhomes
& Caravans

240V Electrician - Motorhome Manufacturing

Avida Motorhomes | Emu Plains, Western Sydney

Avida is a family-owned business, proudly manufacturing quality Motorhomes and Caravans in Australia since 1965. Located in **Emu Plains, Western Sydney**, Avida operates a strong dealer sales and service network throughout Australia and New Zealand.

Our entire team — from the founders and designers through to our production team — are invested in making Avida a **World Class workplace**, while building **World Class Vehicles** that fulfil our customers' dream lifestyle.

This is an exciting time in our business as we continue to grow and further develop our **LEAN manufacturing practices**, striving for continuous improvement.

The Opportunity

Due to increased production demands, we are seeking a **qualified 240V Electrician** to join our manufacturing team.

This hands-on role will see you working on the installation, testing and compliance of 240V electrical systems within motorhomes.

Key responsibilities include:

- Installation and wiring of 240V electrical systems
- Ensuring all work meets Australian Standards and safety requirements
- Working collaboratively with the production team to meet build schedules
- Maintaining a high standard of workmanship and attention to detail

About You

- Trade qualified and **licensed Electrician (240V)**
- Current NSW electrical licence (or recognised equivalent)
- Strong safety awareness and ability to follow safety protocols

- Experience using hand and power tools safely and effectively
- A team player with a strong work ethic and can-do attitude
- Reliable and dependable — reliability is key to our team's success
- Pride in the accuracy and quality of your work
- Previous experience in RV, caravan, automotive or manufacturing environments is highly regarded, but not essential

Why Apply?

There are both professional and personal benefits to working at Avida, including:

- **4½ day working week over 38 hours – start your weekend early**
- Stable, full-time employment in a growing Australian business
- Clean, modern manufacturing facility
- Career growth opportunities across multiple roles
- Positive workplace culture with reward and recognition
- Exposure to and training in **LEAN manufacturing**
- **Employee Assistance Program** for you and your immediate family

If you're a motivated electrician looking for a long-term role with an iconic Australian manufacturer, we'd love to hear from you.
